

# **FISCAL NOTE**

## **SB 1115 - HB 1564**

January 22, 2002

**SUMMARY OF BILL:** Authorizes the Tennessee Claims Commission to issue injunctions against any department or agency of the State in actions based on alleged nuisances created or maintained by the State and in actions based on negligently created or maintained dangerous conditions on State controlled real property. Currently, the Tennessee Claims Commission may only award monetary damages.

### **ESTIMATED FISCAL IMPACT:**

#### **Increase State Expenditures - Exceeds \$100,000**

Estimate assumes the impact could be significant for the respective agency against whom the injunction has been issued. The fiscal impact would be the cost incurred by the agency in doing the act it has been ordered to do under the injunction. The Attorney General's Office would be defending any action for injunctive relief.
